

RESCUED FROM WAR

ALEKS IS A BEAUTIFUL MALE WHITE TIGER THAT WAS FOUND AND RESCUED BY H.A.U FROM SOME **DEVASTATING CONDITIONS.**

Helping Animals of Ukraine (HAU) are one of the top animal hotlines for rescue in Ukraine. As the war continues, many animals in private collections have been left in awful circumstances. They are often starved, weak and terrified, without a way out. HAU are always available to evacuate animals from conflict zones and faciliate animal adoption worldwide.

lead by Natalia Popova. The conditions he was found in were heartbreaking. He suffered severe weakness, heavy stress, extensive loss of fur showing his imflammed skin and impaired

been rehabilitated at Wild Animals Rescue Centre,

Aleks was found by military volunteers in 2022 and has

joint mobility. We desperately needed to get Aleks to our sanctuary to offer him lifelong care and safety. We need your help to offer him the best environment and veterinary care.
